2-7/8"	TPSP6-10	Structural Galvanized Steel Post used with 6-1/4" Turned Column
3-1/2"	TPSP7-10	Structural Galvanized Steel Post used with 7-1/4" Turned Column

“ We have done a few large projects with some leading rail brands and find that INTEX's product and design services are superior. We see the difference in the details. We value the hidden fasteners, the ease of customization and quick installation process for our rail projects. The finish product is always seamless and will never pull apart. To top it off, INTEX PVC products actually look like real wood. ”

-Robin Delgado, Eastern Architectural Millwork

Outaway view of turned newel to show INTEX Post Mount, INTEX Post Mount is not visible when installed.
